SLC-GL

ABS Heel

A solid ABS heel insert makes the Superlite GL stronger and last longer.

Superlite GL (SLC-GL)

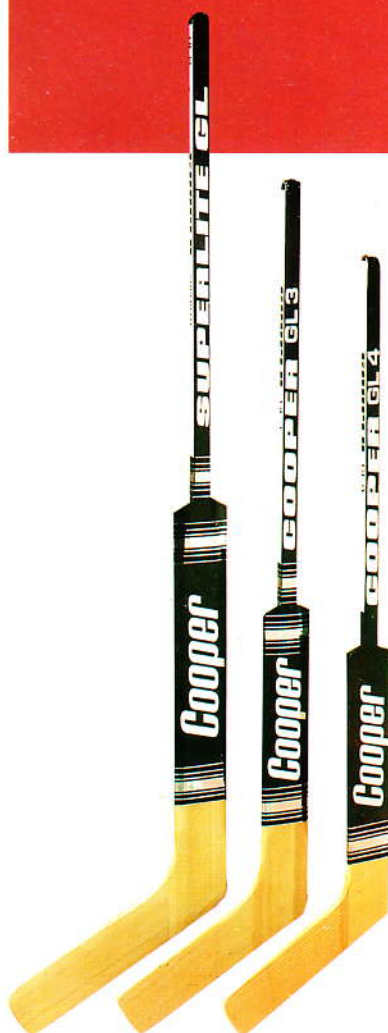

Men's Professional quality goal stick features a tough ABS heelpiece designed to protect critical heel area from wear and moisture. Bonded laminated handle with airfoil style fin for light weight and maneuverability. Glass reinforced fin and white hickory blade. Five piece construction. Epoxy resin finish. Stocked in lots of 6 in lies 13, 14 and 15. Length 55", 140 cm.

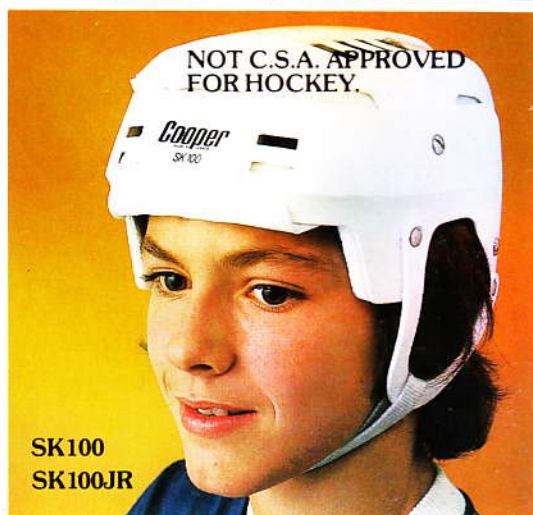

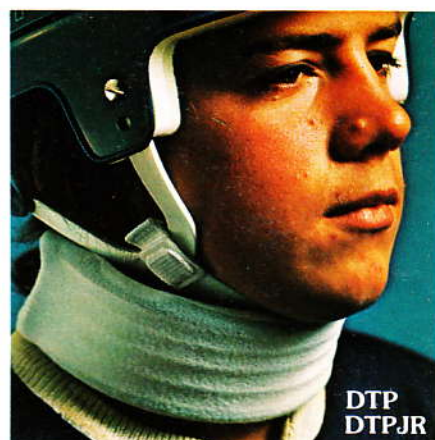

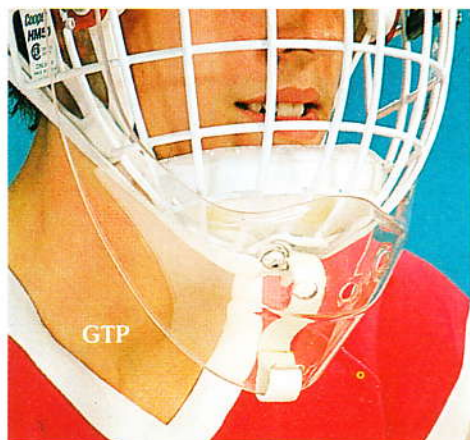

Due to the nature of the game, hockey sticks are not guaranteed against breakage.

Goal Sticks

GL3 Select Ash handle with airfoil style fin for light weight and manoeuvrability. Glass reinforced fin and white hickory blade. Five piece construction. Epoxy resin finish. Stocked in lots of 6. Length 45", 114 cm.

GL4 Northern ash handle. Glass reinforced hickory blade. Five piece construction. Epoxy resin finish. Stocked in lots of 6. Length 40", 100 cm.

Throat and Teeth Guards

GTP Goalie Throat Protector

Lightweight free swinging protection for the throat area. Moulded of high density polycarbonate and contoured to deflect direct blows. Can be attached to the following Cooper guards HM650, HM650S, HM350, HM50-L/M/S, HM2050, HM2050S.

TP Throat Protector

Lightweight, free swinging protection for the throat area. Moulded of high density polyethylene and contoured to deflect direct blows. Lower edges padded with 1/2" shock absorbing foam. Simply laces to the lower portion of all Cooper faceguards.

DTP Throat Collar

For protection against skate cuts, glancing stick and puck blows. Foam padded and reinforced with cut proof wire. Accordion construction allows the collar to fully adjust to head and neck movements. Extremely comfortable, covered with soft, stretch nylon material. Washable. Adjustable velcro strap at back of neck.

DTPJR Junior sizes as above to fit players to 12 years.

TG125 Teeth Guard

One piece guard made of resilient dental vinyl. Can easily be remoulded and adopted to tooth or mouth changes. Extremely comfortable—allows clear speech and easy breathing. Completely tasteless. Packaged in individual plastic pouch.

TG125JR Junior size.

TG125S TG125 style teeth guard with strap.

SK100 Adult Size Helmet

Extended temple area. Rolled vinyl foam padded edges at forehead and neck. Moulded super high impact polyethylene. Ventilation ports. Vinyl foam padded and lined throughout. Fully adjustable. Comes in Red, Blue, Green, Gold, Black and White.

SK100JR Boy's Size Helmet

Same features and colours as SK100 in boy's size.

Not C.S.A. approved for hockey.

Super Professional Models

Designed for a tailored-to-measure fit.

Conforms to all professional league specifications.

Deeply recessed and reinforced knee area to provide greater side of the leg protection, plus 20% increase in the width of the side gussets.

Wider instep channel holds the pad firmly to the boot, reducing the rocking action of the pad.

Extra heavy leather in areas of greatest wear.

Flared wrap-around knee rolls that sweep well around to the side of the knee.

Nylon side flare of polyreinforced foam extends from knee to ankle for maximum protection.

Nylite® side gusset covering for longer wear.

Contoured top inside corners to prevent the pad from snagging in the cuffs of the pants.

The larger outside roll is reinforced to retain proper shape. Top outside roll has been increased in length and diameter to improve the pad's flex and blocking area.

Hand made and hand sewn of specially selected side cowhide leather.

Firmly hand shaped and stuffed with deer hair for resilience and light weight.

$\frac{3}{4}$ " (1.8 cm) thick white wool felt backing.

Instep is leather reinforced and lined.

Seven cowhide straps with leather reinforced slots.

GP95 Length 29 inches, 72.5 cm

GP95L Length 32 inches, 80 cm

GP95XL Length 34 inches, 85 cm

GP95XXL Length 36 inches, 90 cm
